Please sign at the bottom of each form, acknowledging the receipt and understanding of the updated office policies.

Appointments:

- Call the office directly to schedule an appointment.
- Fees for appointments are collected upon check-in.
- We value your time and set aside special time to treat your child. **Missed appointments** or cancellations with less than 24 hours notice will be **charged \$65**.
- Late arrivals that are more than 10 min past your scheduled appointment time may need to be rescheduled.

- Visits are by appointment only. If you walk-in for an unscheduled appointment and we are **not busy**, we will do our best to work you in. Please be aware that walk-ins are treated like urgent care visits and a higher level of care is charged to insurance for urgent services.
- Dr. Fowler does not second guess other physicians treatments or intentions. If you see another PCP for any issue, then you are no longer under our care and will be discharged from the practice. If you want a second opinion on lab work done by another primary care provider, naturopath, or online laboratory, then the visit will be considered an Integrative Consult, not subject to insurance billing. Dr. Fowler reserves the right to run labs only for specific conditions as required by insurance and standard of care.

Financial Responsibility:

- Copayments and deductibles will be collected upon check-in.**
- For Self Pay visits, a summary of billing codes will be printed out for you to submit for reimbursement purposes. Please collect this at the end of your visit.

- Prior balances must be paid BEFORE scheduled visits.
- We currently accept PPO plans through Aetna, BCBS, Cigna and United Healthcare.
- We accept cash, checks, Visa, MC, Discover, Amex. A \$50 fee will be charged for any returned check.
- There will be separate charges added to the account for after hours medical advice, telemedicine via email, any school forms, and any record requests.
- You are always responsible for payment on your account. Insurance is an extension of credit on your behalf for payment. Insurance is not a guarantee of payment.** If insurance does not pay, is terminated, or incorrect information was given to us for filing, you are responsible to pay your full balance within 30 days of statement date or you will be sent to collections.
- If any one child in your family has an account balance overdue, then none of your children can be seen or treated until that balance is paid in full. If any one child is sent to collections, then the whole family will be discharged from the practice.

- For emergency care, do not wait for authorization. Go to the ER and ask them to send us a copy of the visit for our records and follow up.

- Parents are responsible for completing all personal information on forms before Dr. Fowler can sign.
